Projects

BetterWR
Huffman trees | Lempel-Ziv-Welch | graphics.h (2023-2024)

- Alongside one colleague, we built BetterWR application. The main purpose is to compress or decompress data using different algorithms. Usage: command prompt or in a file-explorer (build from scratch - graphics.h).

"Journal of cultural dialogue"
ISSN 2821 - 5044 ISSN-L 2821 - 5044 (2022-2023)

- My role: design coordinator - visual structure (e.g. backgrounds) - editorial structure (e.g. chapters) - edit and format: photos, paintings, interviews.
- Team role: contact artists - logistics - organisation: interviews, launch ceremony (invited a band to play in the opening, promotion of the event).
